ZiCAN™ Soil

ZiCAN™ Soil CN Compatible is a soil-applied liquid nutrient formulated to be compatible with calcium nitrate and calcium ammonium nitrate, including CN-9 and CAN-17.

DIRECTIONS FOR USE

For best results, use watered-in applications. May be applied via irrigation system or prior to irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach. Use the higher label rates with surface and flood irrigation. Shake well and/or agitate before use. Do not mix in concentrated form with any other tank additive without first adding water. Recommended mixing sequence: water, adjuvants, pesticides, FBSciences nutrient products, other fertilizers, balance of water while agitating. A standard jar test is recommended before tank mixing.

RATES & TIMING FOR ALL CROPS

Apply **1-8 quarts/acre** any time during growing season; repeat as needed. Can be mixed with CN-9 or CAN-17 at a ratio of 0.25 to 1.0 Gallons per 10 Gallons of liquid calcium fertilizer.

INSTRUCCIONES DE USO

Para obtener mejores resultados, usar aplicaciones incorporadas con agua. Puede aplicarse a través del sistema de riego o antes del riego. Aplicar suficiente agua para mover el producto al área de enraizamiento activo, pero no cantidades excesivas que puedan filtrarse. Usar las tasas de etiqueta más altas con riego de superficie y anegación. Sacudir bien y / o agitar antes de usar. No mezclar en forma concentrada con ningún otro aditivo del tanque sin antes agregar agua. Secuencia de mezcla recomendada: agua, adyuvantes, pesticidas, productos nutritivos de FBSciences, otros fertilizantes, balance de agua mientras se agita. Se recomienda una prueba de jarra estándar antes de mezclar el tanque.

TASAS Y MOMENTO PARA TODOS LOS CULTIVOS

Aplicar **1-8 cuartos de galón/acre** en cualquier momento durante la temporada de crecimiento; Repetir según sea necesario. Se puede mezclar con CAN-17 o CN-9 en una proporción de 0.25 a 1.0 Galones por 10 Galones de fertilizante líquido de calcio.

WARNING

READ ENTIRE LABEL BEFORE USE | KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS Causes skin and eye irritation. May intensify fire; oxidizer.

AVISO PELIGRO Puede causar irritación en ojos y piel. Puede intensificar el fuego, es un agente oxidante.

PRECAUTIONARY STATEMENTS Wash skin thoroughly after handling. Wear protective gloves/ clothing and eye/face protection. Keep away from heat, hot surface, sparks, open flames and other ignition

sources- No smoking. Take any precaution to avoid mixing with combustibles. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice/ attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If skin irritation occurs get medical advice/attention. **IF EXPOSED OR IF YOU FEEL UNWELL:** Immediately call a POISON CENTER or doctor/physician. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Dispose of contents/ container in accordance with local/national regulations.
